

Dear Animal lover,

Are you a Ramona Humane Society (RHS) member? Membership has some incredible benefits and incentives. Supporting our shelter is the BEST way for you to help animals stay safe and healthy until we find them loving homes. We'd like to share below some of the other exciting benefits. A membership with RHS provides critical funding for the housing, medical attention and spay/neuter services for the animals in our care. These funds are also needed to support ongoing maintenance and up-keep of our facility. By the way, an RHS membership could be a great gift for a loved one who also loves animals.:
